

19th April 2024

New Year 7 – Parent Information Evening

Dear Parents/Carers,

We are looking forward to welcoming your child to Corby Technical School in September. As part of our transition process, we would like to invite you and your child to an information evening on **Thursday 16th May 2024**. There will be two sessions for this, 4.30pm and 6pm. You can select your preferred time [here](#). Please note that space is limited, and we are only able to accommodate a maximum of three family members including your child. The session will include an introductory presentation and a tour of the school. Our uniform supplier will also be available so that you can try on uniform and make purchases if required.

You may choose to visit the uniform supplier directly at a time convenient for you, and further details are on our school website. Please read our uniform guidance carefully before making any purchases as this highlights our expectations for our students.

Lastly, we still have some administrative tasks to complete. If you have not yet completed our data collection sheet, please do so by Monday the 10th of May 2024, the link can be found [here](#). Additionally, there is some further information that we request you review:

- Home school agreement
- Acceptable use of IT policy
- Photo & media consent
- Communications consent

Please can you and your child read the guidance and policy documents on our website [here](#). After you have read these documents, please complete the [Consent and Policy Agreement](#) by following this link.

We are looking forward to seeing you on **Thursday 16th May**. If you have any questions regarding your child's transition, please do not hesitate to contact the school.

Yours sincerely

Mrs E Hopkins
Senior Assistant Principal - Curriculum
